ABOUT THE PLACE

The Himalayas, fulfilling its promise, are a reservoir of the immense amount of 'Him' in the forms of Ice, Fresh and Underground Water. And the seeping of this moisture originates several rivers, which flows through the land of Himachal, namely Sutlej, Beas, Ravi, Chenab, and the Yamuna. It is also the reason for dozens of lakes that covered Himachal Pradesh. From the underground waters to the peak of mountains, Himalayas has blessed Himachal with great natural riches. In between, the Passes, the Valleys, and the Hot Springs are also the gifts of Himalaya to Himachal. A land of splendid mountains, a pristine place which feeds and provides solace to the mind and soul, a pious land which is associated with the supernatural, an enigma of a place which attracts people from every nook and corner of the world- It's incredible. Come let's unfold a new side of Himachal,
